Through June and beyond, Vibrant feels Pride.

Every year, we reserve June to celebrate the LGBTQ2SIA+ community, honor their contributions to society, and recognize multifaceted lived experiences.

As we immerse ourselves in the Vibrant rainbow hues of Pride Month, it's important to remember that June is not just about visibility. It's about fostering a culture of acceptance, advocating for equality, and nurturing emotional well-being within the community.

We believe that prioritizing your emotional well-being is an act of self-care. And we recognize the unique support needed by many within the LGBTQ2SIA+ community and allies.

Here are some ways Vibrant shows up for people, families, and communities of all backgrounds, identities, and orientations.

Creating safe spaces for LGBTQ2SIA+ people in distress

Supporting queer youth and families in Queens, NY

Vibrant proudly received a \$100,000 grant from The Cigna Group Foundation to expand suicide prevention efforts for LGBTQ2SIA+ youth and their families. The grant will specifically help us build the Affirming Youth and Family Alliance program in Queens—prioritizing the BIPOC community and those experiencing significant physical, behavioral, or mental health conditions. Fostering a workplace of inclusion and understanding

At Vibrant, building community across the organization fosters a more inclusive and welcoming work environment. Led by Vibrant's D+B department, our Affinity Groups provide valuable insights and perspectives on issues related to power, racism, oppression, and privilege that can inform and improve our culture, policies, and practices. Marching forward and together

Out@Vibrant, an employee resource group initiated in 2019 and collectively led by queer staff, offers space for LGBTQ2SIA+/allied staff to connect, share resources, and celebrate their identities and cultures. On Sunday, June 30, folks from the group will represent Vibrant at the NYC Pride March. If you are celebrating and see Vibrant on the street, join our crew!

Support Vibrant's Work

Whether you're a member of the community or an ally, follow us on social media and be part of Vibrant Pride. Throughout the month, we'll raise awareness, share more resources, and amplify LGBTQ2SIA+ voices. Happy Pride!
